<https://ubees.utah.gov/events/registration>

**CONTINUING EDUCATION CREDIT**

for Appraisers, Real Estate  
Professionals, and Contractors

**WHO SHOULD ATTEND:**

Appraisers, appraisal management companies, realtors, lenders, architects, green builders, sales staff, and others interested effectively understanding green and energy efficient homes.

**ATTEND THIS TRAINING AND LEARN HOW TO:**

- Report energy efficient items including windows, insulation, water and appliances
- Understand an energy rating, a HERS rating and an energy audit
- Speak the language of solar panels with arrays, inverters and azimuth
- Compare green certifications and ratings such as ENERGY STAR, the National Green Building Standard, and LEED
- Describe the site using the orientation, walk score and public transportation factors
- Include federal, state and local incentives on the form

**PRESENTED BY:**

**TRAINER:**

**Sandra Adomatis, SRA**  
**Real Estate Appraiser, Adomatis Appraisal Services**

*Sandra Adomatis, SRA, is the owner of Adomatis Appraisal Service, Punta Gorda, FL and has been involved in appraising and consulting for over 25 years. She has become a national expert on appraising homes with energy efficient features.*

**DIRECTIONS TO THE TRAINING:**

I-15 exit 9000 S. in Sandy, turn right (south) onto Monroe Street (255 W), which is the east frontage road along the I-15.

Stay on Monroe Street through two stop signs (slight right turns to stay on the frontage road).

Turn left on Towne Ridge Parkway (about 9650 South), and turn immediately left again into the REALTOR Campus.

The Alta Auditorium is located on the first floor of the REALTOR Campus (230 W. Towne Ridge Parkway), in the northeast corner of the building in the Education Center.
